

## Holistic Medical Centre

### Wellness & Anti-aging

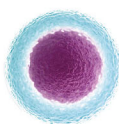

Holistic Medical Centre is a leading wellness and anti-aging center consisting of a team of dedicated professionals helping you to focus on feeling better and looking better.

The core of the holistic medical team is a group of highly trained, internationally and locally certified doctors. We only use doctors to create and tailor programs for our clients. This allows us create customized programs and supplements which not only rejuvenate, but won't damage precious organs such as the liver and kidney.

# Holistic Services - Our Treatment Promotion

## 1. Detoxification

### Colon Hydro therapy

Colon Hydro therapy cleanses colon accumulation through injection of water into the body to get rid of accumulated residues, mucous and wastes that hinder intestinal absorption. This therapy will restore intestine functioning to its fullest efficiency and alleviate symptoms of digestive system diseases, immune system diseases, and degenerative diseases.
